

Medicare Supplements were designed to fill the gaps in Medicare.

Advantage Plus was designed to fill the gaps in Your Client's PRIMARY Health Insurance!

Services	Common Co-pays	<i>Advantage Plus</i> (Cash directly to your clients)
Inpatient Hospital Care	From \$125 per day or an admittance fee from \$400 to \$900	Daily Benefit-\$100 to \$600 Lump Sum Rider—If elected adds an additional payment of \$250/\$500 or \$750.

Ambulance Benefit	\$100 to \$150 per service	\$200 per service
Cancer/ Chemotherapy	Varies by carrier Often 20% or higher	If rider is elected: Lump Sum Cancer Coverage \$2,500 / \$5,000 / \$10,000
Outpatient Surgery	Varies by carrier \$100—\$400	If rider is elected: \$250/\$500/\$750 or \$1,000

Advantage Plus benefits are paid directly to the client in addition to any other insurance plans they might have. This money can be used to cover co-pays and other expenses not covered by any other health plan they might have. **The benefits even restore every 60 days of not being confined to a hospital.** This is not a Medicare Supplement. Advantage Plus is a limited benefit policy.
